

Uncover the Role of Metabolomics in Disease

We have resources to help metabolomics experts as well as those new to the metabolomics field, including

- Metabolic pathways and diagrams
- Scientific Webinars
- Comprehensive Metabolite Databases
- Disease specific literature libraries

Become a MetaboExpert

HMT is a leading Biotechnology company providing metabolomic profiling based on unique and high performance CE-MS technology. We complete over 400 projects a year and our technology has contributed to the advancement of research in a variety of scientific areas.
